

VOLUNTEER COACHING FORM

All Ashford Parks and Recreation programs are designed and administered so that every child, regardless of their abilities, has an opportunity to have a positive youth sports experience from their participation. The coaches play a critical role in contributing and supporting this philosophy. As a volunteer coach you are directly responsible for instilling values, good sportsmanship, developing and refining sports skills and transferring your knowledge of the game to the players. Volunteers must successfully complete a background check, read and sign a volunteer youth coaching code of ethics, register on Team Pass, as well as complete this volunteer application prior to coaching. Coaches are also expected to abide by and enforce all Ashford Parks and Recreation Department policies and procedures. Time commitments will continue throughout the duration of the sport.

Please contact Director: Jeff Speed 334-796-1172 or City Hall 334-899-3366 for more information.

Name: _____ Email Address: _____

Street Address: _____ City: _____ State: _____ Zip: _____
